

REGISTRATION PACKET: General Information (*Note: This year we are including the religious school packet with our membership forms for all renewing members and school families. If you do not have any children in our school programs, please pass this on to a family that might appreciate this or else return it any of our events so that we can distribute it to others!*)

Nevei Yeladim, a Jewish renewal community school affiliated with Congregation Nevei Kodesh, is open to all families wishing a Jewish education for their child regardless of family affiliation. Tuition is discounted for Nevei Kodesh members. (Membership forms are enclosed, if you wish to join or renew membership at this time.) If you are presently a Nevei Kodesh member or will be joining, please designate appropriate tuition. You may also pay with one combined check (see payment page 10.) If you join Congregation Nevei Kodesh mid-year, the prorated tuition difference will be credited toward your dues. For general information regarding Congregation Nevei Kodesh membership please call (303) 271-3542, or visit www.neveikodesh.org

We are also introducing a NEW program this year, for 7-11 year olds. It is called "Bayit Katan" and it is a monthly family education program co-taught by Rabbi Tirzah Firestone and Morah Yehudis Fishman. (See enclosed flyer.) Students enrolled in any other program can attend this at a greatly discounted rate. You also may register for the program alone. (CTR students may attend the adult portion if they wish. Cost for registration is PER FAMILY.)

Calendars for Living a Jewish Life, Bayit Katan and Crossing the River programs are on the next page. Hebrew Chavurot meet weekly.

The school offers a limited number of scholarships, between 30%- 50% of member tuition, depending on financial need. Please return attached scholarship application (which is the last page of this packet) with registration. You must return these packets, with the scholarship request and all relevant forms by AUGUST 15. All scholarships will be determined at the beginning of September, and you will be notified by September 15.

Field Trip Permission Slip and Field Trip Form

Rather than asking you to fill out multiple forms over the course of the year, we have decided to simplify your life. We are asking you to sign the bottom of this page giving your child permission to go on field trips throughout the year (not every class goes on field trips, and you will be informed of any field trip in the weeks prior) and give us permission to use your child’s photo in marketing materials and other aspects directly related to Nevei Yeladim.

Field Trip Permission Slip:

Many of our classes go on field trips throughout the year. These field trips are always closely related to what we are studying, but we strongly believe that getting your child out of a classroom is a great way to learn. By signing below you are giving your child permission to attend our field trips with the understanding that we will let you know what we will be doing and what transportation is available in the weeks prior.

Photo Release:

One great way to share what we do in our school with the Nevei Kodesh community at large and the Boulder community is through pictures. We often have wonderful people come in and help us with special projects and we feel it is important to document these activities. By signing below you give us permission to take and publish pictures of your child on our website and other marketing material.

One of the greatest assets of Hebrew Chavurah is giving our students a chance to study in homes rather than in a typical classroom. This only works when parents volunteer their houses on a rotating basis for children to study. In order to be eligible to volunteer your house as a study area you must meet the following requirements:

- 1. There is a quiet room where the teacher and students can sit around a table and study.
- 2. There will not be outside distractions such as other children coming in and out of the room or TV noise.
- 3. The area where the children will be studying is large enough for them to sit comfortably and for our teachers to have an easel and white board for teaching.

If you meet the above requirements are you willing to volunteer your house for some of the Hebrew Chavurah Meetings?

Yes

No

Some families prefer to hold their chavurah meetings in the teacher's house. Would you be interested in meeting in your teacher's house?
