

**REGISTRATION PACKET: General School Info**

Nevei Yeladim, a Jewish renewal community school affiliated with Congregation Nevei Kodesh, is open to all families wishing a Jewish education for their child regardless of family affiliation. Tuition is discounted for Nevei Kodesh members. We strive to simplify. Tuition includes classroom materials. The school offers a limited number of scholarships, up to a maximum of 50% of member tuition, depending on financial need. Please return attached scholarship application with registration packet.

Our school has four innovative programs including:

**LJL Curriculum - 1st-3<sup>rd</sup> grade**

**Sundays, 10 a.m.-noon, twice monthly**

An exciting journey into Jewish culture to give our children a joyous and positive first taste of their Jewish heritage. Students will engage in crafts-based learning, singing, Jewish yoga, games, and other creative learning approaches to learn about holidays, the Hebrew alphabet and Jewish ethics.

**Bayit Katan - 4<sup>th</sup> and 5<sup>th</sup> grade**

**Sundays, 3:30-5:30, monthly**

Bayit Katan (Little House of Learning) is a monthly program for children in 4<sup>th</sup> and 5<sup>th</sup> grade and their parents. Rabbi Tirzah Firestone and Morah Yehudis Fishman co-teach this vibrant, family-based program. Each instructor rotates between child and adult groups. Adults will get an in-depth look at the Kabbalah of the month, including holidays and Jewish spiritual practices to enrich our lives. Children will receive a monthly look at Jewish stories, holidays, words and parables of enchantment. Together, this an opportunity for everyone to form warm and meaningful bonds with other families

**Hebrew Chavurot – 3<sup>rd</sup> - 6<sup>th</sup> grade**

After students have completed the Living a Jewish Life program, they are now in a place to delve deeper into the Hebrew Language, prayers and conversational Hebrew. Building on basic reading skills acquired in Living a Jewish Life, this small group, home-based program takes each child at his/her own rate through Hebrew reading and understanding of prayers and songs. Our small groups of 4-6 students also foster social connections among students and families.

**Crossing the River - 6<sup>th</sup> and 7<sup>th</sup> grade (Mondays, 6:30-8 p.m.)**

Crossing the River is our highly popular 2-year pre-Bnai Mitzvah preparatory program, which helps you're your child transform into a confident young adult.

**Crossing the River 1:**

This will be an exploration of Jewish faith and practice. What makes Jews unique? Why do Jews wear Yarmulkes? Why do we sit Shiva? What does it mean that we believe in "One God?" and many other Jewish "whys."

**Crossing the River 2:**

Journey into Torah that teaches children multiple truths, how to debate respectfully, and a helps them develop a working familiarity with Torah. Our goal for CTR II students is that the children leave the program with a strong basic understanding of Torah and a desire to continue studying it in their lives.

Both CTR I and II students attend CTR Outdoor Adventures throughout the year. The students will come out of this program with a great group of peers and as much stronger leaders, both of which will support them as they go through the process of becoming Bnai Mitzvah.

**Nevei Yeladim – CTR Adventure  
Consent Form and Release of Liability**

CTR Adventure is the team building aspect of Crossing the River. We strive to give our students a chance to challenge themselves and others and begin the spiritual passage of becoming an adult. We create a variety of activities for our students including warm-ups, group problem solving activities, ropes course challenges (both high and low), rock-climbing, rappelling, and overnight camping. As with any activity, accidents can occur. THE LEVEL OF PARTICPATION IS AT ALL TIME COMPELTELY CHOSEN BY THE INDIVIDUAL. Although the program is geared to individual and group ability, participation in a given activity may involve varying levels of stress and anxiety. Any concerns about safety or the need for more information should be directed to the facilitators immediately. You will be informed about specific safety and activity parameters prior to participation. The CTR Adventure staff takes all reasonable precautions to ensure students a safe and enjoyable experience.

Students are encouraged to carry health/accident insurance coverage. Certain medical information must be made known to program facilitators so that they are prepared to respond appropriately if need be. This information will be held in strictest confidence. CTR Adventure staff cannot make medical determinations of your fitness to participate in a program. Only you and your physician can do that. Please complete this form and return with your registration. We must receive it prior to our first CTR Adventure outing.

Forms must be filled out yearly. Even if you filled out a form last year, please be sure to send in another one.

Release of Liability

I understand that parts of CTR Adventure may be physically demanding. I affirm that I do not have any limitations, which have not been disclosed above. If I am under a physician’s medical care for any condition, disclosed or undisclosed, that might endanger my health or that of other participants, I affirm that I have been given approval by this physician to participate in CTR Adventure and understand the potential risk of injury in CTR Adventure activities. I understand and acknowledge that CTR Adventure offers no insurance protection against such risks, makes no claim to do so, and bears no responsibility for any medical expenses that I may incur. One of the greatest assets of Hebrew Chavurah is giving our students a chance to study in homes rather than in a typical classroom. This only works when parents volunteer their houses on a rotating basis for children to study. In order to be eligible to volunteer your house as a study area you must meet the following requirements:

- 1. There is a quiet room where the teacher and students can sit around a table and study.
- 2. There will not be outside distractions such as other children coming in and out of the room or TV noise.
- 3. The area where the children will be studying is large enough for them to sit comfortably and for our teachers to have an easel and white board for teaching.

If you meet the above requirements are you willing to volunteer your house for some of the Hebrew Chavurah Meetings?

**Yes   No**

Some families prefer to hold their chavurah meetings in the teacher's house or at our synagogue. Would you be interested in meeting in your teacher's house or synagogue?

**Yes   No**
